- 23) Can continue to progress into performance training (opposed to justifying the continuation of skilled care every treatment)
- 24) Not Every physical therapist is the same. Dr. Kuntz has extensive knowledge in Orthopedics, Sports, as well as Strength and Conditioning
- 25) Transition into the gym easily (you are already there!)
- 26) Fantastic continuum from therapist to trainer under the same roof
- 27) No Modalities - Ice and/ or heat can easily be performed at home. Lets make more skillful use of your time
- 28) With the use of Pr1me Movement, you instantly get access to Anytime Fitness's machines and / or weights. Very few physical therapy clinics can offer this.
- 29) Primary Preventative services. Stay ahead of the pain with Pr1me Movements Annual Movement Assessments.
- 30) The Value of Time. Spend 3 hours per week at another clinic or 1 hour with Pr1me Movement for even more progress. Your choice.
- 31) Incredible offer of Telehealth. Very few therapists can offer this service at the convenience of your own home.
- 32) Titleist Performance Institute Level I training. this is a very unique skill that Dr. Kuntz has learned and can help out your golf game.
- 33) More Personal. Working 1-1 with a therapist can be very empowering as you develop a level of trust you may not otherwise have the opportunity to.
- 34) Privacy. Most clinics have several people in the clinic at once.
- 35) Goals are Customized to your liking! Not what the insurances are.
- 36) Injections have failed. Chiropractic services have failed. Previous physical therapy has failed.. Now what? Pr1me Movement to the rescue.
- 37) Sport Specific Training by a trained Physical Therapist. This is a luxury as it is usually limited due to 'justification' by the insurance.

38) Online Strength and Conditioning Telehealth opportunities.

This is a perfect chance to reach to a therapist to answer the questions to your answers from the comfort of your home.

39) No need to fill out all of the extra insurance paperwork

40) Did I say no Insurances already? :)
